Mr. Andrew Garbutt, Sr. V. Pres.
Steuart Petro Co. M. Street Terminal
4646 40th. Street NW
Washington, DC 20016

Re: EPA Identification Numbers
Facility Location: 1333 M. Street SE
Washington, DC 20003

Dear Mr. Garbutt:

Shortly after the filing of a Notification of Hazardous Waste Activity form (EPA-8700-12) with the EPA for the above facility, a temporary identification number DCT 12 001 0004 was issued in order to expedite the issuance of I.D. numbers.

A permanent identification number DCN 98 055 0974 has now been assigned for your facility. Realizing that you might have a supply of Manifest forms printed with the temporary number and you may have to contact companies with which you deal, you are permitted to use the temporary number for up to six months. You may, however, start using your permanent number immediately.

It is requested that you let this office know, within 30 days of receipt of this letter, the date you intend to implement the use of the new permanent EPA Identification Number by contacting Joan Henry, a member of my staff, on 215-597-8751 or by writing to: EPA, 6th & Walnut Streets, Philadelphia, PA 19106, Attn: Patrick Anderson (3AW32). With this information we will have an accurate record of your I.D. number and be able to avoid possible confusion.

Sincerely yours,

Patrick Anderson
Chief, RCRA Permit and Pesticides Section
Air and Waste Management Division

MEMORANDUM

TO: File

THRU: Angelo C. Tompros, Chief
Pesticides & Hazardous Waste Management Branch

FROM: Neilima Senjalia, Sanitarian
Hazardous Waste Section

DATE: 2/21/85

SUBJECT: Inspections at Steuart Petroleum Company terminals located at
1333 M Street SE and 1721 South Capitol Street NW.

DCD 98 055 0974

DCD 98 055 1022

On February 20, 1985, Ms. Neilima Senjalia and Mr. Byron Bacon met with Mr. Jim Owen to conduct a Hazardous waste compliance evaluation inspection at the above mentioned Steuart Petroleum Company facilities.

Mr. Owen, the facility representative informed the inspectors that Steuart Petroleum stores and sells various grades of fuel oil at both these locations. In 1980, their company was not exactly sure what the regulations required, and had notified as their company might have to dispose of some waste fuel oil in the event of a spill.

Mr Owen said, that since this was not the intent of the Hazardous Waste Regulations, he would like to withdraw the notifications. Mr. Owen would be sending a letter to Mr. Angelo Tompros in this regard.

NOTICE OF VIOLATION

Re: EPA identification number: DCD980550974

Dear Mr. Owen:

This letter serves as an official notice of violation pursuant to Section 262.41 of the D.C. Hazardous Waste Management Regulations, which requires generators to submit an annual report of hazardous waste shipped off-site. This report was due in our office by March 31 1985.

A review of our files indicate that you have not responded to a letter from this office dated February 26 1985, requesting the submission of the "Generator Annual Report" by March 31 1985 (copy enclosed). Failure to submit the annual report within 2 weeks of receiving this letter will result in referral to the Department's Office of Compliance for enforcement action.

If you have any questions please contact Ms. Senjalia or Mr. Bacon at (202)767-8414.

Sincerely,

A handwritten signature in cursive script, reading "Angelo Tompros".

Angelo Tompros, Chief
Pesticides & Hazardous Waste

**ACKNOWLEDGEMENT OF NOTIFICATION
OF HAZARDOUS WASTE ACTIVITY
(VERIFICATION)**

This is to acknowledge that you have filed a Notification of Hazardous Waste Activity for the installation located at the address shown in the box below to comply with Section 3010 of the Resource Conservation and Recovery Act (RCRA). Your EPA Identification Number for that installation appears in the box below. The EPA Identification Number must be included on all shipping manifests for transporting hazardous wastes; on all Annual Reports that generators of hazardous waste, and owners and operators of hazardous waste treatment, storage and disposal facilities must file with EPA; on all applications for a Federal Hazardous Waste Permit; and other hazardous waste management reports and documents required under Subtitle C of RCRA.
